**HEARING ORDER (TIK)**

---

**THESE MATTERS** having come before the State Board for scheduling upon its own motion, and the Board having reviewed the files herein pursuant to *Rules, Chapter 2, §6(a)(i), Wyoming State Board of Equalization*, and being otherwise advised in the premises;

**IT IS HEREBY ORDERED** these matters shall come for hearing before the Board in the order listed in the caption, the first hearing to commence at **9:00 a.m., November 13, 2012**, in Room 1722, State Board Room, Herschler Building, Cheyenne, Wyoming. All subsequent hearings shall commence at the conclusion of the matter preceding it in the caption listing. The Board shall conduct the hearings in this manner until all matters listed in the caption have been heard. **If the parties to any matter determine the discrepancy which is the basis of the appeal has been resolved, they may request the Board dismiss the appeal without prejudice and vacate the hearing order as it applies to the specific appeal. A dismissal without prejudice does not constitute a full and final decision on the merits and would not necessarily act as a bar to future amendments of volume or value.**

In the event some but not all matters are dismissed without prejudice on or before the hearing date, the remaining matters shall be heard in the order in which they appear listed in the caption. The Board would emphasize the purpose of having full evidentiary hearings in these Take-in-Kind appeals is to resolve all **volume and value** discrepancies.
